VISION
2026
ONE DAY. TWO WORLDS

AFRICA'S
TECHNOLOGY FUTURE
REDEFINED.

24 FEBRUARY 2026

VISIONARY PARTNER PROSPECTUS

ONE DAY. TWO WORLDS.

AFRICA'S TECHNOLOGY FUTURE — REDEFINED.

StratIT Holdings brings together two worlds of technology — the core of IT infrastructure and the frontiers of security solutions — for one transformative day of insights, interaction, and impact.

This is where Africa's most forward-thinking minds connect, collaborate, and chart the next phase of digital progress.

DELEGATE EXPERIENCE

FROM INSPIRATION
TO INTERACTION.

Real Talk Vision 2026 is built to move beyond resentments — it's an experience designed for connection, insight, and impact.

Throughout the day, delegates will explore Africa's evolving technology landscape through keynotes, exhibitions, and immersive discussions that bridge strategy and innovation.

PARTNER WITH STRATIT HOLDINGS

LEAD THE CONVERSATION.
SHAPE THE FUTURE.

As a Real Talk Vision 2026 partner, your brand stands alongside global technology leaders driving Africa's connected future.

This is your opportunity to move beyond the exhibition floor and into the conversation — where innovation meets strategy, and visibility becomes influence.

Designed for Africa's Technology Leaders and Innovators.

This forum is built for IT and Security decision-makers, innovators, and partners driving Africa's digital transformation.

"REAL TALK VISION 2026 IS MORE THAN AN EVENT — IT'S A CALL TO ACTION."

"Africa's technology and security landscape is changing fast, and resilience is no longer optional — it's the foundation of every innovation, every connection, every success story that follows.

On 24 February 2026, we're bringing together the people and partners redefining what's possible — those who don't just adapt to change, but lead it."

CHRISTO BRIEDENHANN
CHIEF EXECUTIVE OFFICER, STRATIT HOLDINGS

TOBY SHAPSHAK - KEYNOTE SPEAKER: is editor-in-chief of Stuff and a Forbes senior contributor. He has been writing and speaking about technology and innovation for 25 years. His TED Global talk on innovation in Africa has over 1,5-million views - about which he has written for Forbes, CNN, Quartz, and The Guardian in London. He was named in GQ's top 30 men in media and the Mail & Guardian newspaper's influential young South Africans. GQ said he "has become the most high-profile technology journalist in the country". As a young reporter, he shadowed then-president Nelson Mandela. He is a columnist for Business Day.

VISIONARY PARTNERS: DRIVING THE FUTURE, TODAY. SHOWCASE. COLLABORATE. TRANSFORM.

YOUR VISION. OUR PLATFORMS. AFRICA'S FUTURE.

ELEVATE YOUR GLOBAL REACH — VIRTUALLY.

Our hybrid platform connects your leadership and innovation to an extended online audience across continents. Stream keynote sessions, sponsor virtual content hubs, and amplify your brand story through StratIT Holdings' global digital ecosystem.

ENGAGE THE DECISION- MAKERS WHO MATTER.

Access Africa's most influential audience — CIOs, CSOs, CTOs, industry executives, and policy leaders. Real Talk Vision 2026 offers curated networking and hospitality zones for meaningful, high-level engagement that builds strategic relationships.

COMMAND THE STAGE.

Take your place alongside global and continental thought leaders through keynote sessions, strategic panels, and fireside dialogues that shape the narrative of Africa's connected future. Your insights become part of the blueprint for the next wave of innovation.

CO-CREATE THE XPERIENCE.

Visionary Partners influence the direction and design of the event itself — from panel themes and delegate experiences to technology showcases and co-branded activations. Your brand isn't just part of the programme; it helps define it.

LEAD BEYOND THE EVENT.

From executive roundtables to strategic media coverage, your partnership extends beyond the day. StratIT Holdings integrates Visionary Partners into pre- and post-event campaigns, ensuring sustained visibility across digital, print, and broadcast channels.

SHAPE AFRICA'S TECHNOLOGY FUTURE.

As a Visionary Partner, your brand stands at the forefront of Africa's technology transformation — driving the conversation, setting the agenda, and influencing how enterprises, governments, and innovators approach digital resilience.
